## TERMS & CONDITIONS

---

Version 3

Date 5 July 2023

International calling add-ons (the “Add-Ons”) are available to EE Pay Monthly mobile customers. The cost of each Add-On will be added to your next bill and then every bill each month until you ask us to remove it. Each Add-On is a monthly recurring add-on. The monthly cost of each Add-On is set out in the EE Standard and Non-Standard Charges Price Guide. We’ll send you a text to let you know when your Add-On is ready to use. You can ask us to remove the Add-On at any time but we won’t remove the Add-On from your account until your next billing cycle. You can have more than one Add-On of any type on your account at a time but your allowance will only last until your next bill or until you’ve used it, whichever comes first. Allowances don’t roll over. If you add the Add-On part way through your billing cycle, you will be able to use the full allowance until your next bill.
